

## Our Training Programs

We have been successfully conducting various integrated programs for IIT-JEE, AIEEE & BITSAT and students who have participated in these programs appreciated, acknowledged the effectiveness of the programs. We have successfully placed students of these programs in top national level engineering colleges like IIT's, NIT's, BITS (Pilani, Goa & Ranchi), IIIT's and reputed deemed Universities.

These programs are meant for students who have a strong will and determination to make it to the top notch engineering colleges. Only those students who wish to put sufficient efforts and go through rigorous demands of our course are advised to join these programs.

### HEADSTART

#### 2 Year Integrated Program

This is meant for students who have completed their class X. This program extensively covers all the areas of National level Engineering Entrance Examinations with Intermediate.

This program is available at our Compact Learning Centres in Hyderabad (Ameerpet, Kachiguda) and air-conditioned residential campuses located at Kompally for boys and Bowenpally for girls..

### FINAL STEP

#### One Year Integrated Program

This course is meant for students who have completed Inter first year or class XI. This one year program covers the complete syllabus of IIT JEE, AIEEE and BITSAT for all the subjects Physics, Chemistry, Mathematics, Logical Reasoning and English Usage from the basic concepts to complex problems.

Students of other institutions and colleges can pursue this course either in early morning or evening timings.

This program is available at all our Compact Learning Centres at Hyderabad(Kachiguda, Ameerpet and Dilsukhnagar).

### FINAL STEP PLUS

#### One Year Integrated Program

This program is meant for repeaters who wish to attempt IIT JEE, AIEEE and BITSAT for the second time.

Based on extensive feed back, all the requirements of a repeater are taken in to account in designing this exclusive course.

This program is available at all our Compact Learning Centres at Hyderabad (only at Kachiguda and Ameerpet).

The following table depicts approx. no. of clock hours per year allocated for each element of the respective program

Course	Instruction / Counselling	Practice/ Revision	Testing
Head Start (Day)	1152	432	108
Head Start (Resi)*	1152	432	108
Final Step	450	-	108
Final Step Plus	864	216	108

\* In addition to practice or revision in the regular instruction or Counselling hours, hostel students will have 4 1/2 hours per day for study and counselling sessions.
